**Please note: This student education plan (SEP) is offered as a suggestion only.** Students may modify it by taking more or fewer classes as needed. Students wishing to exceed 19 units per semester will need to meet with a counselor. Students wishing to complete an AS Degree and/or transfer should meet with a counselor to modify their course plan to include general education courses.

 **Key Tips:** You may opt to “double major” by applying some of these courses to other ACR Degree/Certificate Programs. Remember to apply for certificates/degrees/graduation at the beginning of your last semester.
