

GOALS AND OBJECTIVES

The **Flight Attendant** program provides students with a career path for attaining the communication skills, practical knowledge, and technical training necessary for pursuing a career as a flight attendant. Students completing this certificate will develop a basic understanding of the airline industry and the customer safety, security, and service requirements necessary to work as a flight attendant for a major airline.

CERTIFICATES

Flight Attendant Basic

Flight Attendant Advanced

To earn a certificate, complete the required courses as listed with a minimum grade of "C." At least 50% of all coursework must be completed at Cypress College. The Basic certificate offers students a career ladder from which they may experience incremental success as they progress to an Advanced Certificate or an Associate in Science Degree.

DEGREE

Associate in Science Degree in Flight Attendant

To earn an Associate's Degree, students must complete:

- (1) all major course requirements with a "C" or better;
- (2) 25 units of General Education Requirements;
- (3) the cultural diversity and reading requirements;
- (4) any elective courses to complete a minimum of 60 units; and
- (5) have a minimum GPA of 2.0. At least 50% of all major course work must be completed at Cypress College.

For information on specific university requirements, please consult with your counselor, or visit the Transfer Center.
