

## GOALS AND OBJECTIVES

This certificate will provide students with the knowledge necessary to enter the automotive refinishing trade with an emphasis on management, staffing, organizing and controlling workflow. Topics include surface conditions and their remedies; substrate application and final topcoats; spot painting and blending techniques; clean up details; surface anomalies, their repairs; and car care.

## CERTIFICATE

### Advanced Collision Repair Paint Technician (21 units)

To earn this certificate, complete the required courses as listed with a minimum grade of "C." At least 50% of all major course work must be completed at Cypress College.

## CERTIFICATE

### Advanced Collision Repair Paint Technician = 21 units

Program Code: 1C31341
