

GOALS AND OBJECTIVES

The **Automotive T-TEN Air Conditioning Specialist** certificate is designed to prepare T-TEN students for employment as an automotive Air Conditioning system diagnostic specialist. Course work includes theory and operation of HVAC system diagnosis and repair. The program will provide the student the opportunity to acquire the knowledge and skills demanded of the modern Toyota/Lexus automotive HVAC system specialist.

CERTIFICATE

Automotive T-TEN Air Conditioning Specialist

To earn a certificate, complete the required courses as listed with a minimum grade of "C". 100% of all course work must be completed at Cypress College.
