

GOALS AND OBJECTIVES

The **Collision Facility Production Manager** Program provides students with a career path for attaining the communication skills, practical knowledge and managerial insight necessary for pursuing a career as a collision facility production manager. Students completing this certificate will develop an understanding of the daily operations of a collision center and the management skills necessary to enhance operational work flow.

CERTIFICATE

Auto Collision Facility Production Manager (21 units)

To earn this certificate, complete the required courses as listed with a minimum grade of "C." At least 50% of all major course work must be completed at Cypress College.

CERTIFICATE

Auto Collision Facility Production Manager = 21 units

Program Code: 1C31352

Required courses are listed in numeric sequence:

		Units
_____	ACR 007 C Refinishing Technician I	6
_____	ACR 001 C Auto Collision Repair Tech I	6
_____	ACR 020 C Auto Detail/Car Care-Beginning	3
_____	ACR 060 C Collision Repair Management	3
