 **Key Tips:** You may opt to “double major” by applying some of these courses to other Automotive Collision Repair Degree/Certificate Programs. Remember to apply for certificates/degrees/graduation at the beginning of your last semester.

GOALS AND OBJECTIVES

The **Collision Repair Paint Application Specialist** certificate is designed to prepare students for occupational competency in the automotive refinishing trade with an emphasis on color and application theory, matching solid, metallic and pearlescent colors. Topics include procedures, mixing equipment, surface preparation and topcoat application as well as general knowledge of the inner workings of the modern automobile.

CERTIFICATE

Collision Repair Paint Application Specialist
(14-15 units)

To earn a certificate, students must complete the required courses as listed with a minimum grade of "C" or higher. At least 50% of all course work must be completed at Cypress College.

Student Educational Planner

■ Basic

■ Advanced

■ A.S. Degree

*C/D: Certificate/Degree course requirements

CGE: Cypress College Native General Education Requirements for Associate Degree

UC: University of California & California State University (Transferable)
